Wentzville Recognized as Third Safest City in Missouri

[Wentzville, MO — March 18, 2019] When people choose to move to Wentzville they are choosing more than just a place to live, they are choosing a home in a safe city. They are putting down roots and becoming part of our growing community.

"Wentzville's Police Department truly is the finest. We've worked hard to build a community that offers safety and security, exemplary schools, affordable and diverse housing, and expanding employment opportunities. We've worked hard to build a place that people want to call 'home,'" said Wentzville Mayor Nick Guccione.

SafeHome.org recently recognized Wentzville as the third safest city in Missouri. Aside from being third in the state, the rankings also place Wentzville as the second safest city in St. Charles County.

The methodology overview from SafeHome.org, notes that several factors are considered when assigning a safety score to a city. Crime trends were evaluated, and cities where crime is on the decline are given a higher safety score. Wentzville's violent crime trend has dropped 14%, while property crime is down 8.7% – according to the data form the FBI's UCR (Uniform Crime Reporting) program.
