Message from the Mayor: Home for the Holidays

Learn how to "cease the grease" this holiday season and keep your packages safe!

clog our arteries, they also clog our sewers. Keeping these substances out of the drain is one of the best ways to avoid a sewer backup in your home.

Fats, oils, and grease are found in many of the foods we eat every day — foods such as meat, butter, cooking oil, gravy, sauces, mayonnaise, salad dressing and cheese. These also happen to be some of the key ingredients to our favorite holiday dishes. Help prevent drain and sewer clogs by keeping drains free of fat, oil and grease. Keep these reminders in mind to prevent grease buildup in your pipes.

- Wipe cooled pots and pans with a paper towel before washing.
- Remove fatty foods from plates and the kitchen sink and place them in the trash — not down the drain.
- Can it, cool it and trash it. Pour all cooled cooking fats that will harden into a container such as an empty vegetable, pet food or coffee can. Let these contents cool and throw the can in the trash.

DON'T STRAIN THE DRAIN

'Tis the season for home-cooked meals! As you prepare delicious holiday dishes, keep in mind that fats, oils and grease don't just

KEEP YOUR DELIVERIES SAFE

Protect your packages from "porch pirates" this holiday season (and year-round) with these tips from the Wentzville Police Department (WPD).

- Schedule deliveries when you will be home, or have packages delivered to a trusted friend, family member or a commercial locker.
- Request a signature to receive your package.
- Increase your home security with surveillance cameras.
- Report any suspicious activity to WPD by calling (636) 327-5105.

If you have a surveillance system, WPD would love to partner with you! WPD's "Video Surveillance Camera Registration Program" is a voluntary program that allows you to partner with WPD to assist during investigations.

If you register your surveillance system and a crime occurs, WPD can quickly identify anyone that has cameras nearby. This helps WPD to collect video evidence and follow up on leads to solve the crime. WPD is NOT asking for access to your system. This voluntary program simply provides a way to know where video surveillance systems are located throughout the community.

Please visit www.wentzvillemo.gov/wpdvideoregistration to register your system. If you have any questions, please contact Detective Sergeant Wessel at (636) 639-2138.

Board Update

When You Choose to Shop in Wentzville, the Money You Spend Here Comes Back Here!

With the holidays fast approaching, it's a good time to remember the importance of shopping in Wentzville. Shopping locally is the best way to keep your tax dollars working for you! Where we shop, where we eat, where we have fun — all of these options are what make our community, our home.

Our businesses and restaurants are an integral part of the distinctive character of Wentzville. Local businesses are owned by people who live in this community and who are highly invested in Wentzville's future.

Wentzville's exceptional quality of life and local economy rely on where you spend your money and do your shopping. Sales tax is a direct and vital lifeline to essential City services as money spent in Wentzville directly impacts our residential services. The money you spend here comes back here — in the form of recreational programs, police officers, City improvements and more. Shopping locally keeps businesses here, providing jobs, and benefiting our schools and area nonprofits.

The holiday season is a great reminder to shop local, and Saturday, Nov. 26, is the perfect time to pledge your commitment to local spending. Small Business Saturday, which is held each year on the Saturday after Thanksgiving, is an annual celebration of small businesses. On this day each year, at the start of the holiday season, consumers are encouraged to shop locally. The day aids small businesses by drawing attention to their importance in our economy.

If there's one thing we can all do to make our dollars work for this community, it's to shop local. Gas up here before you leave town. Grab dinner in Wentzville on your way home from work. Make your tax dollars work for you and your community. Shopping locally benefits all of us.

This is your community. Keep your money local — spend here, invest here. Shop Local. Shop Wentzville.

Meet the Board of Aldermen (left to right): *Michael Hays, Ward 3; Michael Lovell, Ward 3; Bryan Harr, Ward 1; Mayor Nick Guccione; Tricia Byrnes, Ward 2; Manny Macias, Ward 1; Jeffrey Ottenlips, Ward 2.* To contact the Board, please visit www.wentzvillemo.gov/boa.

Five Reasons to Shop Local

On average, for every \$100 spent in a chain store \$14 is reinvested in the community. But did you know that for every \$100 spent at a local store, an average of \$68 is reinvested in the community? That money paves our roads, employs our friends and neighbors, maintains our schools and makes Wentzville a great place to live, work and explore! As consumers, we have the power to shape our City. Isn't that an amazing thought? When you shop in Wentzville, you are pledging to make a concerted effort to impact our local businesses. So why should you choose to shop local?

- 1. Tax Dollars:** Keep your tax dollars working for YOU! The City sales tax you pay funds improvements to parks, roads and services in YOUR City.
- 2. Jobs:** Wentzville businesses grow and can create more jobs right here — jobs help local families!
- 3. Personalized Service:** Local businesses are owned by your neighbors and friends, they care about you and are invested in our community.
- 4. Unique Options:** Locally-owned businesses provide a wide range of product choices for everyone in the community.
- 5. Savings:** When you shop in Wentzville — right here where you live — you'll save money, gasoline and time!
