Wentzville Police Department
Annual Report 2021

"To Serve our Public with Integrity and Empathy"

The Wentzville Police Department continues to grow and develop our relationships within the community that we serve. Community Oriented Policing is a philosophy adopted by the Wentzville Police Department to ensure we maintain a community where our citizens feel safe. We continue a great relationship with the Wentzville School District with the safety of students and staff being our top priority. We have recently replaced D.A.R.E. with a new and more relevant program called S.T.A.R.T., which stands for Substance Tobacco Alcohol Resistance Training which is taught by our School Resource Officers. Speaking of School Resource Officers, Wentzville PD has the largest SRO program in the county, staffed by a Sergeant, a Corporal and eight officers. Despite restrictions placed on us due to the pandemic, we have worked diligently to maintain our engagement with the community by offering citizens the opportunity to participate in programs such as the CERT program, Citizen's Police Academy and the Teen Police Academy. The business/residential liaison officer works with residents and business owners with problems they are having in their subdivisions or businesses. We attend Home Owner's Association meetings and conduct "walk and talks" throughout the year in various neighborhoods. The pandemic forced us to cancel National Night Out in 2020, but were able to pull it off for this year. We are also planning to re-engage with the many civic organizations within our community.

Recognizing the importance of professional partnerships, we participate in joint agency programs to provide more effective and diverse services to this City. For example, the St. Charles County Regional Drug Task Force allows us to identify and remove illegal drug suppliers from our communities. The St. Charles County Regional S.W.A.T demonstrates a consolidated effort by all the St. Charles County police agencies to provide effective services in crisis situations. The Crisis Intervention Program provides the community with officers trained to recognize and appropriately respond to residents dealing with mental disorders. The Major Case Squad is a resource that collectively assembles the area's best investigative talents. This unit provides a means to assist ourselves and our neighboring communities in solving acts of heinous or high profile crimes occurring in that community. In 2018, the city joined the St. Charles County Regional Emergency Management Operations Center, wherein agencies within the county share resources for planning, preparing and responding to catastrophic events, incidents and emergencies. The Wentzville Police Department has one Emergency Management Officer assigned to the Regional Emergency Operations Center. The Regional Emergency Operations Center was instrumental in obtaining and dispersing personal protective equipment throughout the county. In 2019, the Wentzville Police Department earned accreditation through the Missouri Police Chief's Association and we have submitted our files to recertify in 2021. The accreditation process is a rigorous process that ensures the department has established policies that are current and follow the best practices of law enforcement nationwide. The department must meet over 400 standards in order to become accredited.

As stated in our department's mission statement, we are "dedicated to delivering Constitutionally sound, superior law enforcement services with professionalism; ensuring citizens peacefully and safely enjoy their lives, building strong partnerships and relationships with residents, visitors, and businesses in the City of Wentzville while demanding the officers who serve and the staff that supports does so with the utmost pride, unmatchable courage and unwavering integrity." The department's adopted slogan summarizes this mission: ***"Public Service with Integrity"***

The police department supports a strong sense of community, a caring for one another, values and principles of good citizenship, and a quality of service that contributes to the common good. It is the vision of this police department to ensure Wentzville remains a safe city to live, work, play and grow. Cooperation and partnerships between the police, the public, the business and professional communities, and our elected officials are paramount to the success of maintaining social order in a positive manner. This cooperative partnership exemplifies the city slogan -

Wentzville Police Department

Divisions:

The Wentzville Police Department is comprised of 79 commissioned law enforcement officers along with 21 full-time and several part-time support staff employees. Chief Paul West leads the agency which is comprised of two divisions: Field Operations and Support Services Divisions. He also oversees the Records Division. Major Leon Burton is the Assistant Chief of Police and manages the Captain of Support Services, the Captain of Field Operations, the Professional Standards Unit and the Emergency Management Specialist. Captain Kevin Pyatt commands the Field Operations Division and Captain Emmanuel Borroum commands the Support Services Division.

The Field Operations Division is comprised of all the Patrol Platoons, the Communications Center, the Corrections Division, and the K9 Unit. Patrol Officers are the backbone of the department and serve the community at large by responding to a variety of calls for service while combining a proactive approach to crime prevention by actively patrolling the neighborhoods and business areas.

The Support Services Division consists of all supporting functions of the police department. Encompassed in this Division are the Detective Bureau, School Resource Officers, Traffic Unit, Animal Control Officers, and Park Rangers.

The department embraces new technology and continually looks for improvements that will keep us on the cutting edge of advancement. The department has several small Unmanned Aerial Systems (sUAS) (Drones), body cameras, FARO system, Taser7 (Electronic Control Devices), Evidence.com video storage and in 2021, purchased 15 FLOCK license plate readers and purchased a database called Idicore that the detectives use in their investigations.

National Incident Based Reporting (NIBRS)

The Records Department converted in 2017 from Uniform Crime Reporting (UCR) to the National Incident Based Reporting System (NIBRS) when reporting statistical information to the FBI and State of Missouri. This was done due to NIBRS being mandated for all agencies in the United States to convert to by the year 2021. To become eligible to submit NIBRS the department had to submit four "trial" periods of reports at 100% accuracy, before becoming certified and able to formally submit NIBRS. January through April of 2017 were our "trial" periods, making May the first month that NIBRS was officially able to be submitted by the department.

Another reason the Department decided to change over to NIBRS is that UCR is a summary based program, meaning only the "main" or most serious offense is reported, whereas with NIBRS, all offenses committed within each incident (report) are reported. For example, if we have a call for an assault and a theft, with UCR, we would only report the assault; with NIBRS we will report both the assault and the theft.

In NIBRS, there are Group A and Group B offenses. There are 52 Group A offenses that we report. With the Group A offenses, NIBRS counts the offenses, as well as the arrests for those crimes.   There are 10 Group B offenses. For these type offenses, NIBRS will only count the arrest.

UCR and NIBRS both have Crimes against Property and Crimes against Persons. However, with NIBRS, they have added a third category of Crimes against Society. Crimes against Society are typically victimless crimes, such as curfew violations, disorderly conduct, runaways, or trespassing.

The statistics reported below is a comparison of May-December 2017 through 2021.

**Law Enforcement Officers Killed or Assaulted (LEOKA):**
Traffic Accident Report:

The Traffic Unit was created to help enforce traffic laws and help reduce the accident count. The division currently consists of three officers. These officers spend their time patrolling the subdivisions due to complaints of speeders and stop sign violators, as well as concentrating on area highways due to accidents occurring within our venue.

Communications/Records Activity:

The Communications and the Records Divisions handle multiple types of situations. Dispatch communicates with the officers via radio and telephone. They enter calls in the computer system to track who is responding and the information that is relayed. They run subjects through the MULES system for the officers to see vehicle registration, driver's license status, and criminal history. They answer the 911 calls, as well as non-emergency calls.

The Records Division answers incoming calls to the department and routes them to the appropriate division, works with the public and other agencies in obtaining copies of reports and statistics. They enter data into the records management system for NIBRS reporting and quality control of reports. They work with records retention and destruction, as well as review traffic accident reports for electronic submission to the state, among a host of other responsibilities.

These divisions are an integral part of the team and are vital in keeping the Department running smoothly. Below is a list of some of the activities they do:

Wentzville Police Department

Community Outreach

2021

Community Outreach:

The Department takes pride in the relationships we have developed in our community. We like to educate our citizens on how the department operates and keep an open line of communication to better serve our town. To help accomplish this, we present a multitude of programs throughout the year to continue to nurture these relationships.
