

Volunteer Commitment

Members of _____ (group/business), hereinafter referred to as "Members" will:

- Pick up litter on _____ (street) in the City of Wentzville, County of St. Charles, state of Missouri, from the intersection of _____ to _____, or
- Beautify and maintain _____ (location) by _____ (proposed activity)

for approximately once a quarter for (select one): THREE SIX or TWELVE months.

Leaders will ensure that all workers have been trained on safety procedures prior to each cycle of work, and the leader will advise the workers of the potential hazards of working on road right-of-ways, to stay out of traffic, and to not trespass off of the public road right-of-ways.

The City of Wentzville will provide the necessary trash bags, and will pick up filled trash bags upon request. Safety vests, gloves and trash bags are available at Public Works. Safety vests are to be worn by all participants in the work program and returned to Public Works upon completion of work.

If a 12-month commitment is elected, the City of Wentzville agrees to erect a sign for the Members of _____ (requested name to display on signage) recognizing their participation in the Adopt-A-Spot Program.

Each member volunteer shall sign a waiver and agrees to indemnify and hold harmless the City, its officers and employees from all liability, judgment, costs, expenses and claims growing out of damages, or alleged damages of any nature whatsoever to any person or property arising out of the performance of non-performance of non-performance of said work.
