Make Your Utility Tax Rebate Appointment Online

Starting this year, eligible residents can now schedule their utility tax rebate appointments online. Residents who qualify can apply for a City utility tax refund using one of the following methods between April 1 and May 31.

- Email the required documentation to ContactUs@wentzvillemo.gov.
- Mail the required documentation to: Utility Tax Rebate, City of Wentzville, 1001 Schroeder Creek Blvd., Wentzville, MO 63385
- Schedule an appointment to apply in person at City Hall by calling (636) 639-2121 or by making an appointment online.

Please include your phone number on all rebate items emailed or mailed. To review all necessary eligibility criteria and schedule an appointment, visit www.wentzvillemo.gov/TaxRebate.

Utility Payment Box

Did you know Wentzville City Hall has a drive-up utility payment dropbox? Residents can drop off your utility bills at any time, without even having to get out of your car. For questions, contact our utility billing team at (636) 639-2155.

Mission: Clean Stream 2024

It's time again for the annual Mission: Clean Stream event! Make plans to join us on Saturday, April 6 to help clean up the Peruque and Dry Branch watersheds! These streams are essential to the health of our community and support a variety of wildlife and land uses.

We need your help at the annual cleanup to take care of these valuable natural resources in our community! Please visit www.wentzvillemo.gov/MCS to register and for updated event information. Volunteers, ages 6 and up, can register for M:CS as a family, individual or organization. Registration deadline is April 3, but sign up by March 26 to get a free T-shirt. Volunteers are invited back to Progress Park after the cleanup for a light lunch. Again this year, in conjunction with Mission: Clean Stream, a Tree Seminar will be held prior to the cleanup at Progress Park. Details at www.wentzvillemo.gov/TreeSeminar.

Property Maintenance Inspections start April 1

Spring is here, and it's time to focus on our City's property maintenance standards. Please remember to keep your lawn height less than eight inches, maintain attractive curb appeal, clean out your gutters, and generally help maintain the healthy, safe and stable community we all desire. Few things have more potential to enhance the quality of life for everyone in our community than neighborhood pride.

The City works with property owners and neighborhoods to address nuisance properties and housing violations, which helps to protect property values and makes your neighborhood more pleasant and welcoming for residents and visitors alike. Maintaining your property helps ensure that your family lives in a clean, safe environment and contributes to neighborhood revitalization. For most people, their homes are their single largest investment.

The City conducts annual property maintenance inspections. Between April and September, all structures in the City of Wentzville will be inspected, with inspections beginning April 1. If City inspectors find a property that needs attention, a notice will be mailed to the property owner. This notice allows a reasonable amount of time for completion of the repair.

If you have a specific concern about a Wentzville property, you can submit it at www.wentzvillemo.gov/ConcernCenter or by calling the City at (636) 639-2121. Inspectors will verify the concern within 72 hours and respond back, upon your request. Concerns may be filed anonymously as well. By remaining attentive to ensure all Wentzville properties are suitably maintained, we can all work together to continue to make Wentzville a desirable place to live and work.
