Be Safe and Seen on Halloween!

The City of Wentzville wishes everyone a very happy Halloween! When your child leaves home to collect goodies on the spookiest night of the year, be sure to make Halloween safety a priority. To ensure your child has a fun-filled evening of trick-or-treating, here are a few tips from the Wentzville Police Department to be "safe and seen" on Halloween.

- Carry glow sticks or flashlights, and use reflective tape or stickers on costumes and bags to help kids be seen by drivers.
- Children under age 12 should be accompanied by an adult at all times.
- Slow down and be alert while driving! Turn on your headlights early in the evening, so you can spot kids from further away.
- Remind kids to cross the street at corners or in crosswalks and to never step in front of oncoming traffic.
- Choose face paint over costume masks; masks can limit a child's vision.

Fall Tree Limb Collection

Twice each year, the City's Chipper Program provides residents a free, convenient way to dispose of small tree limbs. The fall tree-limb pickup will take place over a three-week period — by ward. If you are unsure about which ward you live in, please visit www.wentzvillemo.gov/WardMap.

The fall 2023 schedule is as follows:

- Ward 1: Week of Oct. 30
- Ward 2: Week of Nov. 6
- Ward 3: Week of Nov. 13

Tree limbs and branches for the Chipper Program must be stacked at the curb by 6 a.m. on Monday of your Ward's scheduled Chipper Program week. Tree branches and tree limbs should NOT be bundled or placed in bags. Bagged or tie-bundled materials will not be picked up. Tree limbs are defined by the largest cut end measuring up to six inches in diameter. This also includes small tree trunks measuring the same diameter above. Please leave tree limbs as long as possible and face the butt/cut end to the street. Do NOT block the sidewalk with tree limbs. Questions? Call Public Works at (636) 327-5101 or visit www.wentzvillemo.gov/TreeLimbPickup.
