Dear Wentzville Residents,

It is my honor to recognize the progress made by our Department throughout 2019. I feel privileged to lead a department that promotes physical and mental well-being, encourages outdoor experiences and builds community by fostering friendships.

Many thanks to our employees who work tirelessly to provide diverse sports and enrichment programs, maintain quality facilities and implement our mission to enhance community, sustainability, unity, health and open-space preservation. Without you, we wouldn't be able to care for our community at the level it deserves. Each of you plays an important part.

The acquisition and renovation of the Wentzville Ice Arena this past year is something I am particularly proud of. Nearly \$180,000 in renovations, equipment upgrades and deferred maintenance projects were completed all in an effort to provide an enhanced experience to its users and the community. Not only has the addition of this facility enabled our Department to provide and host new programs and special events, it also allowed us to welcome approximately 15 new staff members.

As we look ahead, it is my great pleasure to report that on-site grading for the new Wentzville Community Center began in late fall 2019 and is projected to be operational in 2022. This new multigenerational facility will help meet the growing needs of Wentzville's growing community by allowing for new, exciting and progressive offerings where residents and nonresidents alike will want to come spend their leisure time.

I would also like to give a special thanks to our Parks and Recreation Advisory Board members. Your shared perspectives, passion, time and guidance is thoroughly appreciated.

Please enjoy reading about the many accomplishments achieved this past year. It is my hope that each and every resident and guest of our wonderful community makes time for fun and recreation in 2020 and takes advantage of all the Wentzville Parks and Recreation Department has to offer!

Sincerely,

Mike Lueck, CPRE  
Wentzville Parks and Recreation Director

“Our **mission** is to enhance community, sustainability, unity, health and open space preservation through people, parks and programs.”

For 47 years, the Wentzville Parks and Recreation Department has been pleased to provide our growing community with new facilities, parks, playgrounds and pools; providing places to exercise, create, play or simply relax. We consist of three primary divisions working together to accomplish goals and make everything possible.

“The mission of the **Administration Division** is to maintain a link between the Department and the community by providing professional administrative support services. This team is responsible for the management of the human capital process; providing internal financial and information technology support; delivering internal and external advertising, marketing, and data analysis to support quality, sustainable programs, services and facilities; and ensuring professional planning, design, and project management services to enhance the quality of life for all citizens.”

## Vision

“Create and maintain unparalleled recreational opportunities and high quality parks or public spaces enhancing our quality of life with exceptional services, programs, and facilities for all who live, work, and play in our community.”

## Department Goals

### Goal #1: Quality Parks & Facilities

Develop and maintain recreational facilities and park areas to meet the current and future needs of the Wentzville community.

### Goal #2: Excellent Recreation Programs & Services

Provide excellent recreation programs/services and customer support that will enhance the quality of life for all citizens affected by the Parks and Recreation Department.

### Goal #3: Sustainable Practices & Programs

Administer sustainable environmentally friendly policies/programs to improve operations, enhance/expand parks, facilities or open space and conserve natural resources for present and future populations of the community.

### Goal #4: Knowledgeable and Professional Staff

Provide staff with a working environment that fosters personal and professional growth.

### Goal #5: Fiscal Responsibility

Effectively administer the revenues and expenditures of the Parks and Recreation Department to maximize programs, facilities and parks.

### Goal #6: Effective Marketing & Community Outreach

Develop and implement department-wide marketing initiatives and community outreach efforts that will enhance participation and revenue generation.

## Wentzville Community Center

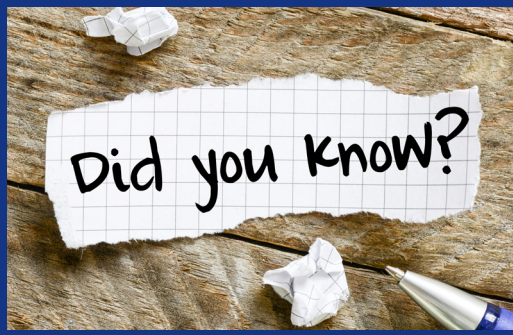

The Wentzville Board of Aldermen approved a Development Agreement for the Wentzville Bend project in June 2019. This development encompasses approximately 60 acres of property located south and east of Wentzville Parkway, and north of William Dierberg Drive and consists of two major elements – a 140,000 square-foot retail shopping center and an **80,000** square-foot multigenerational recreation facility. Along with input from residents, the new facility was formally named the Wentzville Community Center. On-site grading began in late fall 2019 and the Wentzville Community Center is projected to be operational in 2022.

The new facility is expected to include:

- ✓ Leisure Pool
- ✓ Kids Area
- ✓ Fitness Center
- ✓ Multiple Gymnasium Spaces
- ✓ Dedicated Senior Space
- ✓ Indoor walking/jogging track
- ✓ Party Rooms
- ✓ and More!

*“We are very excited to provide this new amenity to our residents. The Board of Aldermen and I are committed to providing resources for our residents and the community as a whole. This project falls in line with our strategic goals and recognizes the distinct needs of our residents – varying from indoor recreational opportunities to amenities for senior citizens. This facility solidifies Wentzville’s position as a strong supporter of parks and recreation and only adds to our wide variety of facilities from Splash Station Aquatic Center and the tournament-level Peruque Valley Park baseball fields to the recently purchased Wentzville Ice Arena. Wentzville truly offers something for everyone,” said Mayor Nick Guccione.*

## What value do I receive from my annual tax dollars that help support the Parks and Recreation Department's operations?

On a house valued at \$200,000, the average household pays \$24 annually in property tax to support parks and recreation in the community. However, the Parks and Recreation Fund relies more heavily on the Half-Cent Parks Sales Tax passed in 2010. Calculating that impact on an individual family is much more challenging. But, if one assumes a family spends \$200 a week shopping in Wentzville, that household will pay \$52 per year in sales tax to support parks and recreation, making \$76 the total taxes paid in this scenario.

## Completed Projects

Without our **Park Operations Division**, our parks would cease to function. From overseeing and implementing the Department's project management and capital improvement plan to conducting routine park maintenance, they provide a variety of services that keep our parks clean, safe and beautifully landscaped. Take a look at a few of the projects they worked on in 2019!

### Jake's Field of Dreams Playground Project:

- Constructed two new metal pavilions in Heartland Park which included 5,600 square feet of concrete, 350 linear feet of ornamental fencing, additional security lighting and a new 3 foot by 50 foot retaining wall
- Installed 600 linear feet of new irrigation and controllers, 1,000 square feet of sod, 75 cubic yards of mulch and 250 new trees, shrubs and plants

### Kolb Building Renovations:

- Parking lot and landscaping improvements

### Holiday Night Light Upgrades:

- Converted 10,000 bulbs to LED

### Tree City USA:

- Planted approximately 300 new trees throughout City parks as part of the Department's role in conservation and the Tree City USA program

### Pavilion at Peruque Valley Park:

- Constructed a new 30 foot by 50 foot timber frame pavilion at the Dockler 4-Plex in Peruque Valley Park

### Entry Sign Renovation:

- Renovated the entry sign landscaping bed at the intersection of Wentzville Parkway and Luetkenhaus Boulevard

## WE P.L.A.Y. Scholarships - (Wentzville Providing Leisure Assistance for Youth)

To help ensure the children of our community always have access to recreation and leisure activities, the Friends of the Wentzville Parks' (FOTWP) scholarship program is designed to provide supplemental financial assistance to Wentzville families who are experiencing a financial difficulty or unique hardship due to unforeseen and unfortunate circumstances. In 2019, FOTWP awarded **25** families with varying scholarship amounts totaling **\$5,598!**

Scholarships can be applied towards pre-registered programs, Camp Wentzville and passes. An all facility pass is also available because we believe all family members should have their recreational needs met regardless of the ability to pay.

If you're having a birthday party or conducting a soccer practice, you will work with the **Administration Division** to reserve a field, facility or park. In addition, they handle front desk procedures, budget preparation, operations reporting and fee collections.

Their commitment and support is sincerely appreciated as they continue to support Wentzville Parks and Recreation in making Wentzville a great place to live.

# YOUR SUPPORT MAKES A DIFFERENCE

## Ways You Can Help Today

- 1. VISIT A WENTZVILLE PARK.** Have a picnic, walk on a trail, watch wildlife, meditate, dance, paint, play on the swings or just relax.
- 2. REGISTER FOR A CLASS.** Participate in one of the many enriching and enjoyable class experiences and see what we are all about!
- 3. VOLUNTEER OR JOIN US AT AN EVENT.** Bring your family and friends to a Wentzville Parks and Recreation special event. You can take more ownership and volunteer to help or simply enjoy your time having fun. From races to holidays to Wentzville Days, there are so many ways to celebrate living well in Wentzville together. Send us a photo of you or your family enjoying one of our events at [parks.media@wentzvillemo.org](mailto:parks.media@wentzvillemo.org) and you may be featured on our social media accounts and publications!
- 4. PURCHASE A PASS.** Enjoy the entire year or summer with a pass to the Progress Park Recreation Center and/or pool and/or Splash Station Aquatic Center. There are always fun events going on for the whole family.
- 5. BUY LOCAL.** When you buy in town, not only are you supporting your local businesses, but a portion of the sales tax goes back to support Wentzville Parks and Recreation. Since you are going to shop anyway, give back to your community by helping to develop new parks and amenities and expand and maintain the existing ones.
- 6. DONATE TO THE WE P.L.A.Y. SCHOLARSHIP PROGRAM.** Wentzville Providing Leisure Assistance for Youth is a program offered through Friends of the Wentzville Parks (FOTWP) and is designed so youth have access to recreation activities, regardless of the ability of their family to pay. Any donations allow FOTWP to help more families.
- 7. PURCHASE A COMMEMORATIVE BENCH OR TREE.** Enhance the look and functionality of our parks, invest in your community and honor your family by purchasing a commemorative bench or tree.
- 8. JOIN A BOARD OR COMMITTEE.** Do you want to have more of a voice in your community? Consider joining a board, committee or Friends of the Wentzville Parks to help make decisions on what happens in your home town.
- 9. READ AND SHARE OUR MOST RECENT NEWS.** Our *Fun Times* magazine is delivered to your mailbox three times a year (winter/spring, summer and fall). Make sure to check it out for the latest news and listings of our classes, programs and events. Visit us online at [www.wentzvillemo.org](http://www.wentzvillemo.org).
- 10. FOLLOW US.** Follow us on Facebook, Twitter and Instagram to stay up-to-date with our latest news, initiatives and programs. We love your feedback, so share and invite your friends to engage with us in person and online!
