Fall Large-Item Pickup

Twice each year, the City offers FREE large-item pickup service for Wentzville residents. During the week of Sept. 27-Oct. 1, residential utility customers may place bulky items out for collection. This is a great opportunity to rid your home of unwanted furniture and old appliances! To view a list of accepted (and not accepted) bulky items or to find more information, please visit www.wentzvillemo.gov/largeitempickup. Here are some important reminders for Wentzville's Fall Large-Item Collection.

Large-Item Pickup DOs:

- Place items at the curb by 6 a.m. on your regular collection day.
- Follow the FOUR-ITEM LIMIT per household, per free pickup.
- Confirm that you are a Wentzville utility customer prior to placing items at the curb. This pickup is for residential trash customers ONLY.

Large-Item Pickup DON'Ts:

- Don't place more than FOUR ITEMS out for collection. Houses that exceed this limit will not have their bulky items collected.
