# Water Rate Update

**A Message from the Wentzville  
Public Works Department:**

Starting this month, Wentzville customers will pay a tiered water rate structure for summer water use. All customers will still receive the first 5,000 gallons per month for only \$4.86/1000 gallons, then the rate adjusts to \$5.34 for 5,000 to 15,000 gallons per month and \$5.83 above 15,000 gallons. Tiered rates are in effect for 2024 between now and the end of September. This was approved during the Board of Aldermen meeting on Wednesday, June 25. To learn more about your water usage, visit **[www.wentzvillemo.gov/UtilityBilling](http://www.wentzvillemo.gov/UtilityBilling)**.
