

# 2025 UTILITY RATES

To learn more about service fees and payment options, please visit the Utility Billing Division webpage at [www.wentzvillemo.gov/UtilityBilling](http://www.wentzvillemo.gov/UtilityBilling).

## Billing and Payments

Services are billed monthly and due 10 days after the bill date. Water charges are a base fee plus volumetric usage. Sewer charges for residential customers are a base fee plus volumetric usage based on the average water used over the four months of November, December, January and February. Usage for new customers is based on the average of all residents until the next averaging cycle. Solid waste and recycling costs are consolidated each month with your water and sewer bill. Learn more at [www.wentzvillemo.gov/Utilities](http://www.wentzvillemo.gov/Utilities).

If you have solid-waste related billing questions, you can contact the Utility Billing office at (636) 639-2049, between 8 a.m. and 5 p.m., Monday through Friday.
