Park Land Acquisitions

PUBLIC WORKS FACILITY

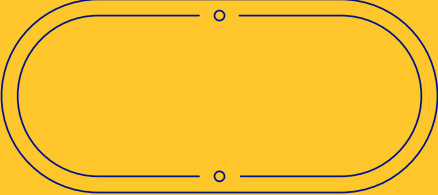

In August of 2024, the City opened a brand-new 44,446 square-foot Public Works Facility to house Fleet, Water, Streets and Signals, and more.

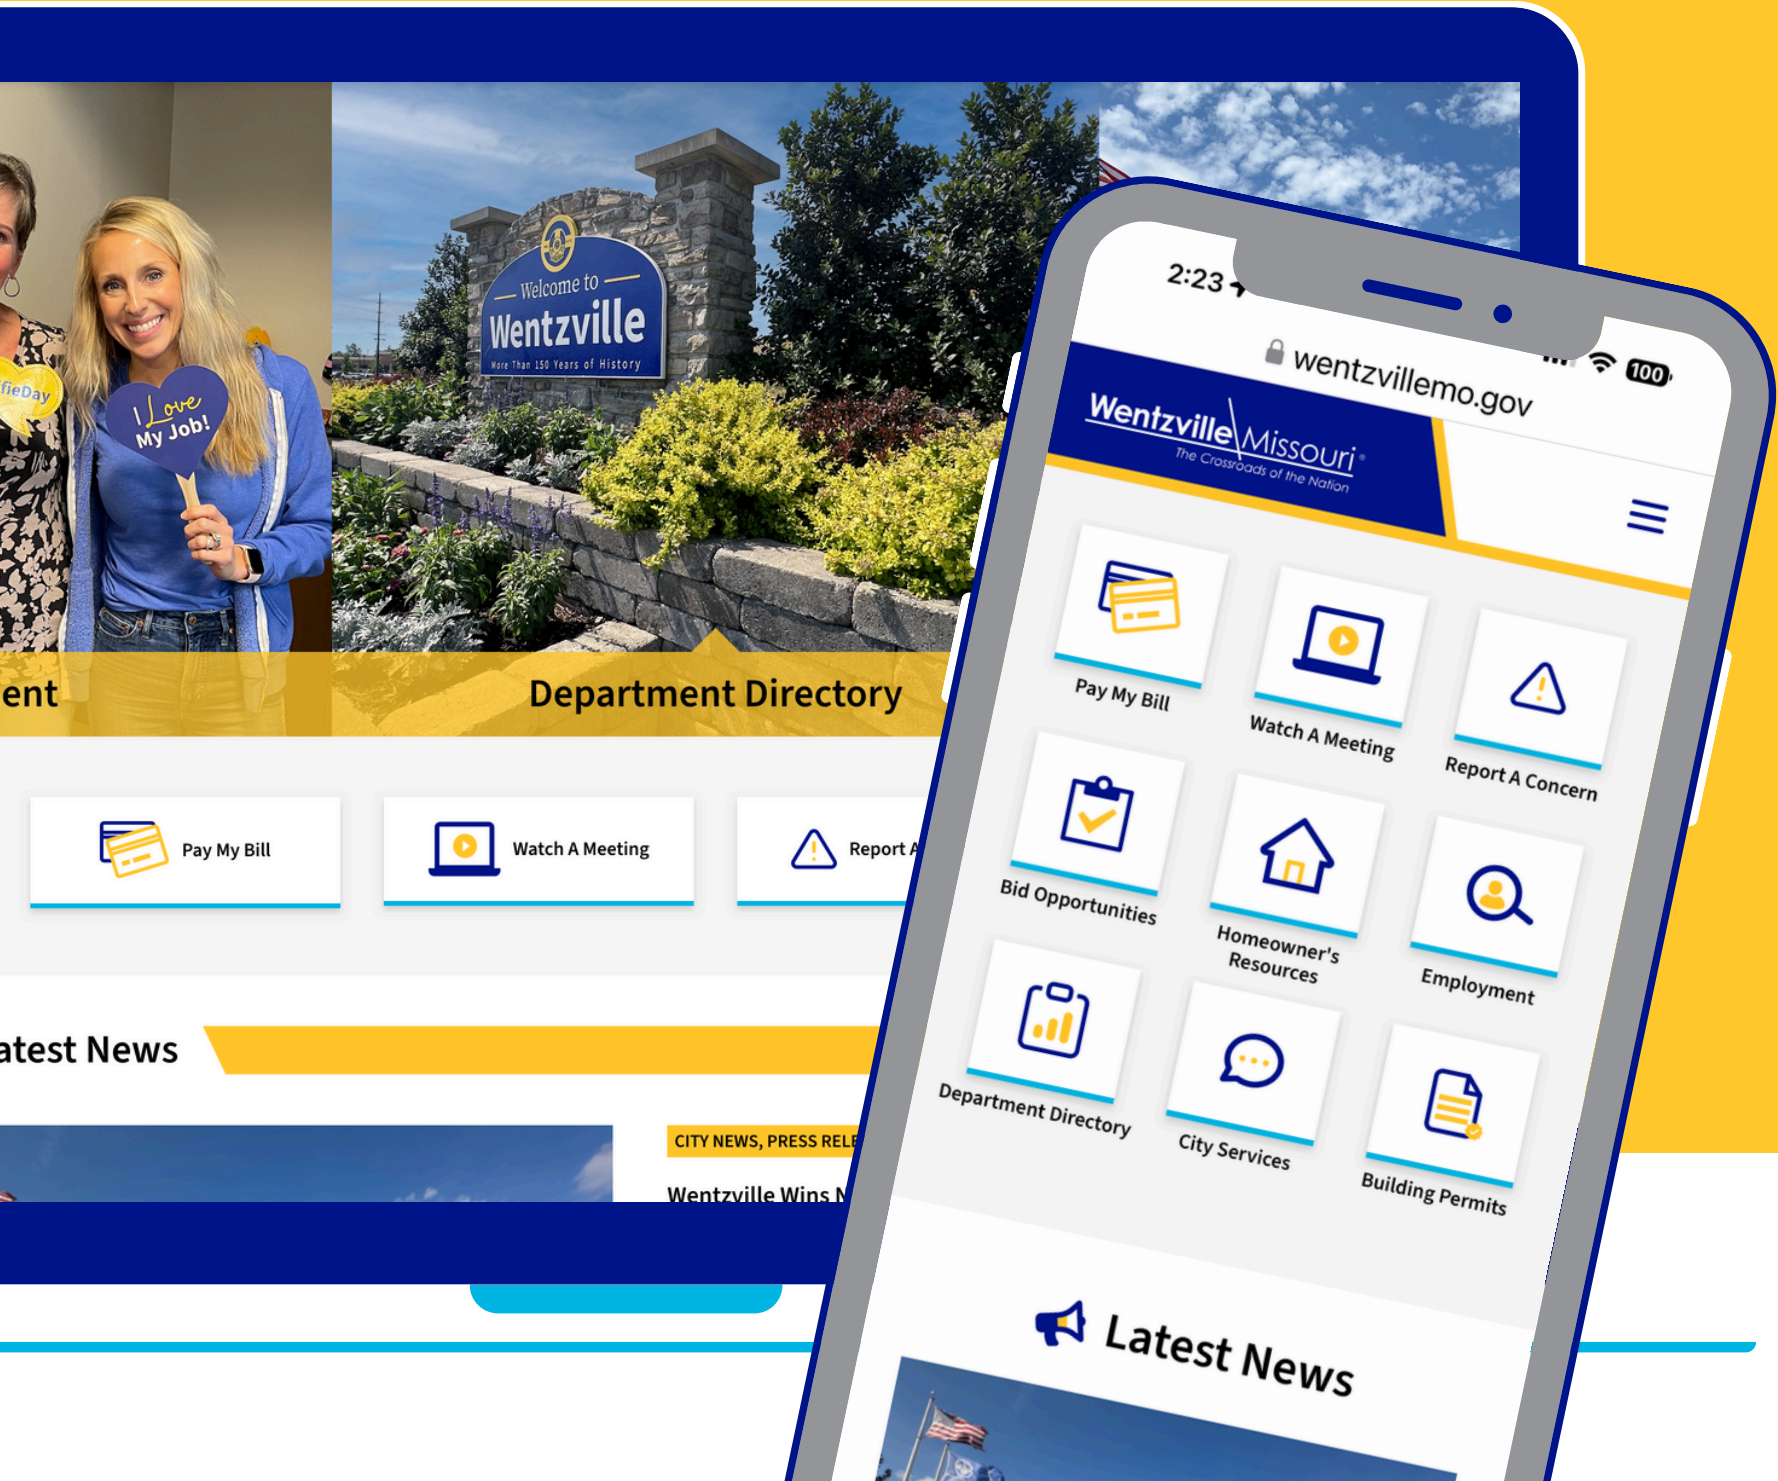

SCCC EXPANSION

St. Charles Community College's Regional Workforce Innovation Center will train for careers in technology, manufacturing, robotics and more in Wentzville!

All-New Website

Wentzville 2024

In 2024, the City launched a fully redesigned, mobile-first website making information more accessible, transparent, and user-friendly for all of our stakeholders.

Employee Longevity

This year, the Human Resources Department, at the request of Mayor Nick Guccione, started a Decade Club to recognize employees who have worked in Wentzville for 10 years or longer. Decade Club members make up over 33% of the City's workforce.

Wentzville 2024

Public Education

Wentzville 2024

The Stormwater Division hosted the region's first Stormwater Bus Tour, bringing together engineers, residents and experts for collaboration, education and feedback — a milestone in cross-agency teamwork.

Preserving Our Past

The Economic Development Office launched a Century Plaque Program in Historic Downtown Wentzville, helping preserve the City's historical integrity while fostering community pride.

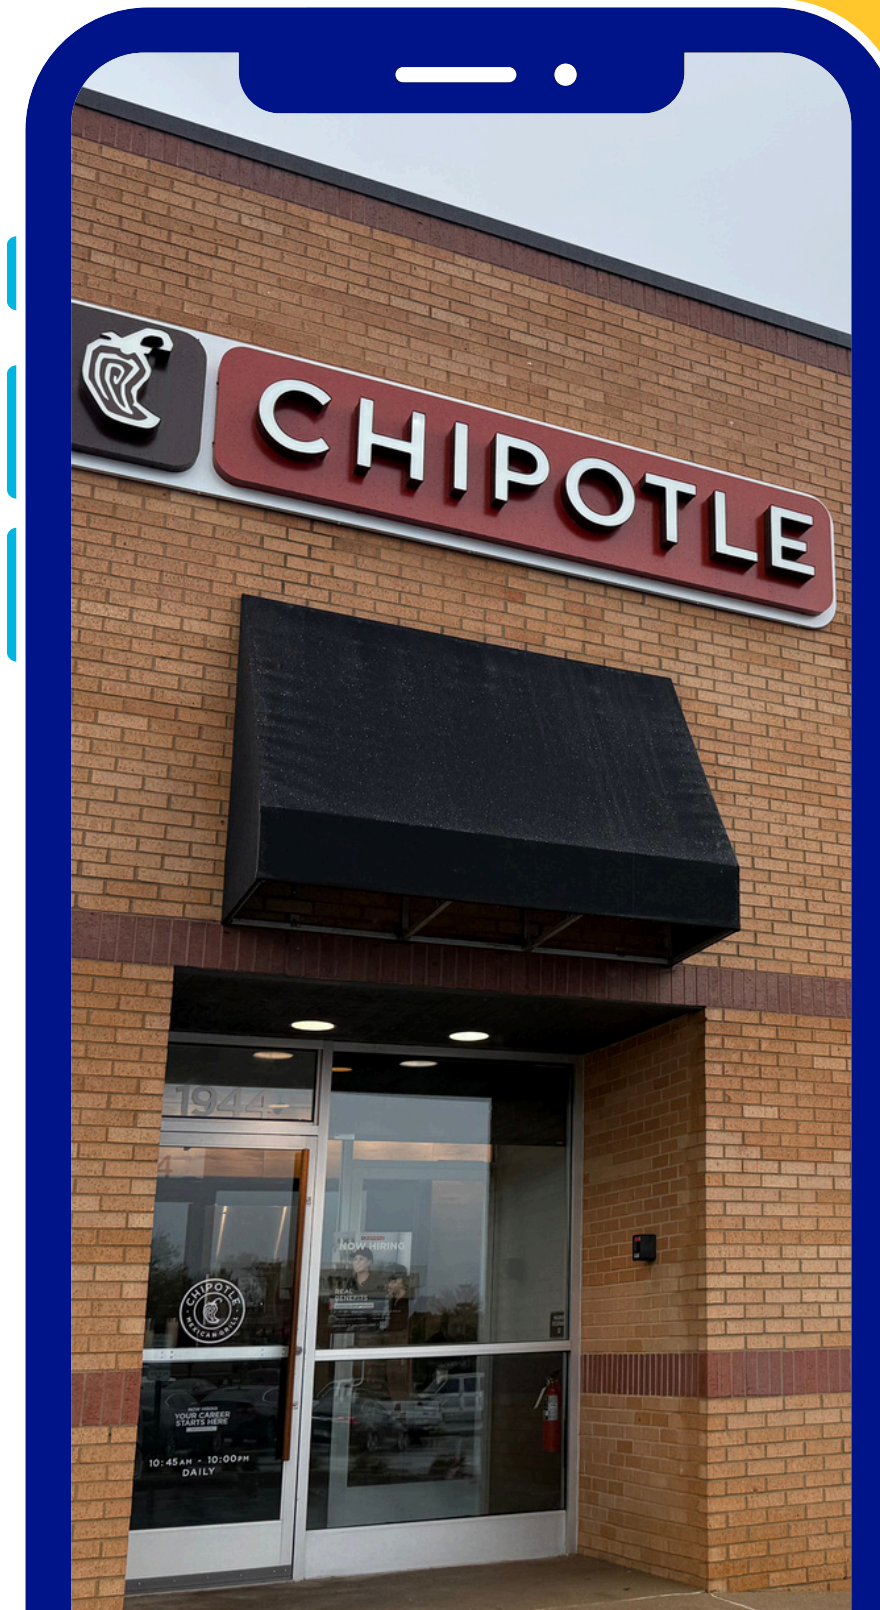

Wentzville 2024

Growth and Expansion

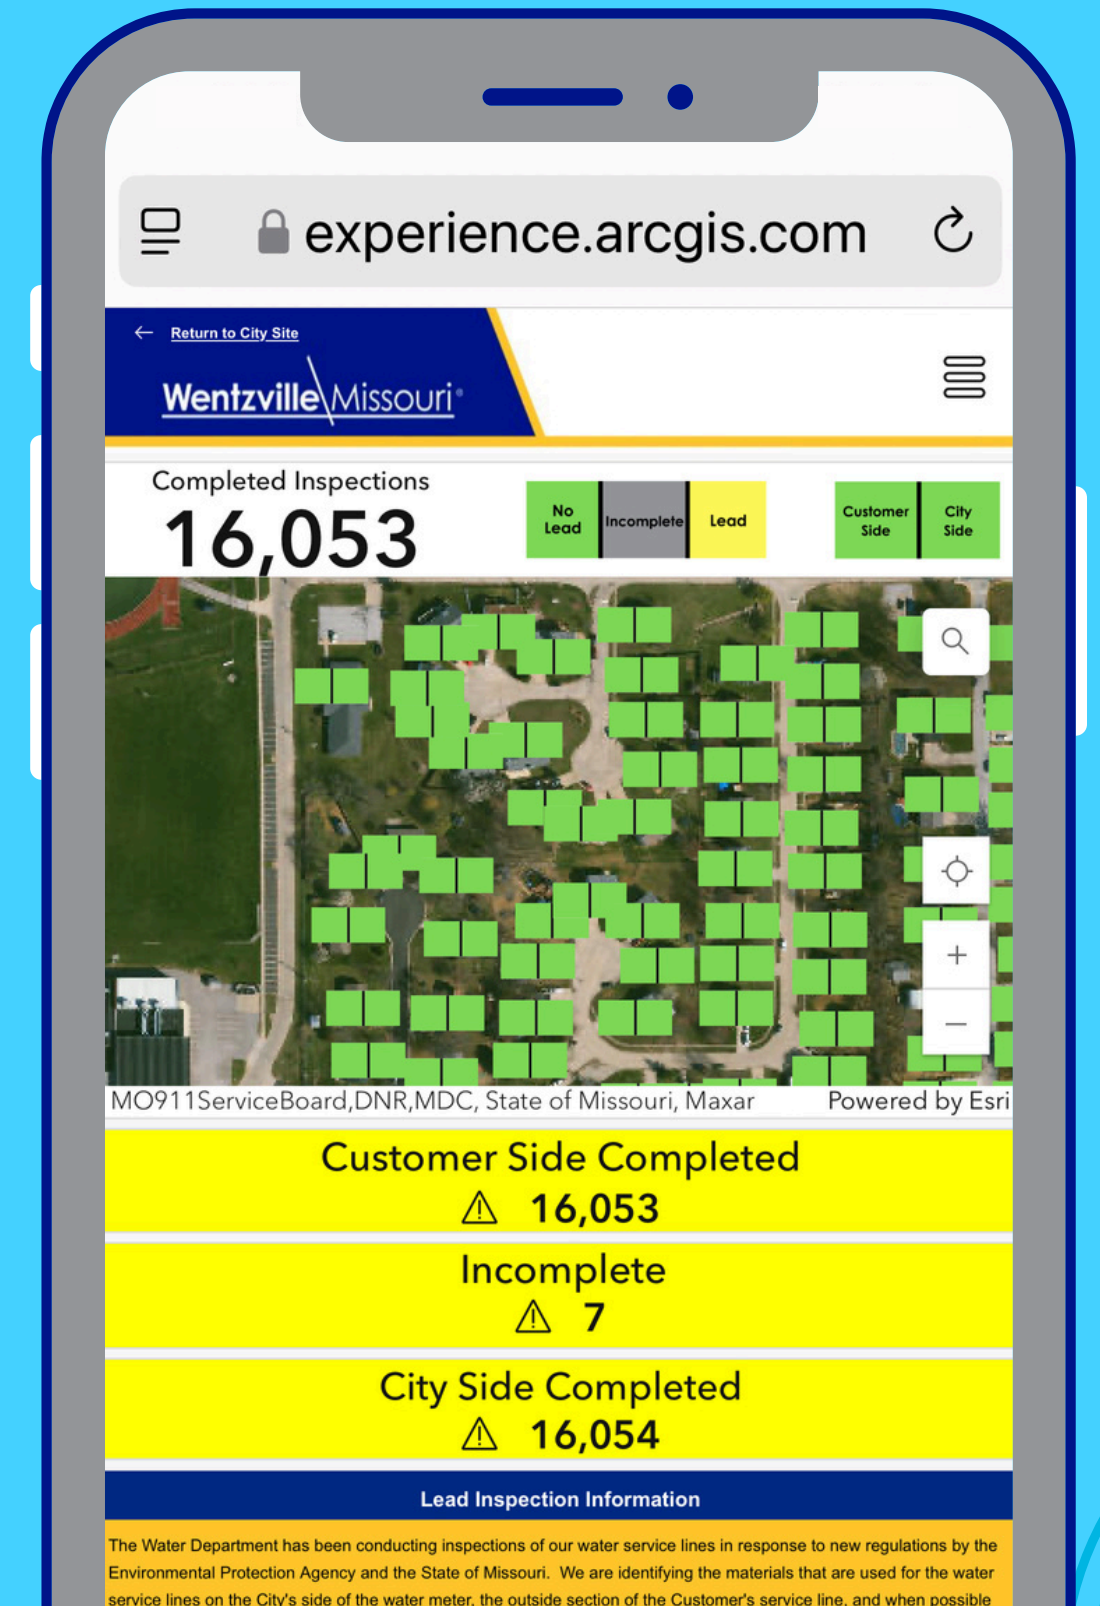

The City completed construction and staff move-in of its new Public Works Facility, showing responsible stewardship of resources and a commitment to improving City infrastructure for residents. This project was completed on time and under budget.

Wentzville 2024

Infrastructure Management

The Water Division and submitted Lead Service Line Inventory to DNR, ensuring compliance with regulations and supporting proactive water infrastructure management.

Honoring Our Heroes

Mayor Guccione initiated the Salute Our Troops Banner Program, launched by the Parks and Recreation Department this year. In its first year, the program honored 35 military heroes connected to Wentzville families, bringing the community together to show gratitude and celebrate their service and sacrifice.

Transportation Improvements

Phase 2D of the David Hoekel project was completed, adding two lanes and a sidewalk to improve connectivity between Goodfellow and West Meyer roads, supporting current and future growth in the corridor.

Wentzville 2024

Upcoming Transportation Projects

- **David Hoekel Parkway Phase 3**
 - From West Meyer Road to Highway 61
 - The City took on the management of an accelerated schedule for this project, with a completion goal about 10 years ahead of schedule
- **Highway 61 Outer Road**
 - From Wentzville Parkway to Peine Road, this will improve access to hundreds of homes
- **Highway Z Widening**
 - Interstate Drive to Perry Cate Boulevard
 - Involves additional lanes along Highway Z and the replacement of the bridge over Peruque Creek

Pawsitive Impact

This year, the Wentzville Police Department proudly welcomed Winnie, our new therapy dog, to the team! With her gentle nature and wagging tail, Winnie is here to bring comfort, support and smiles to City employees and community members alike.
