Be Safe and Seen on Halloween!

The City of Wentzville wishes everyone a very happy Halloween! When your child leaves home to collect goodies on the spookiest night of the year, be sure to make Halloween safety a priority. To ensure your child has a fun-filled evening of trick-or-treating, here are a few tips from the Wentzville Police Department to be "safe and seen" on Halloween.

- Carry glow sticks or flashlights, and use reflective tape or stickers on costumes and bags to help kids be seen by drivers.
- Children under age 12 should be accompanied by an adult at all times.
- Slow down and be alert while driving! Turn on your headlights early in the evening, so you can spot kids from further away.
- Remind kids to cross the street at corners or in crosswalks and to never step in front of oncoming traffic.
- Choose face paint over costume masks; masks can limit a child's vision.

Fall Tree Limb Collection

Twice each year, the City's Chipper Program provides residents a free, convenient way to dispose of small tree limbs. The fall tree-limb pickup will take place over a three-week period — by ward. If you are unsure about which ward you live in, please visit www.wentzvillemo.gov/WardMap.

The fall 2025 schedule is as follows:

- Ward 1: Week of Oct. 27
- Ward 2: Week of Nov. 3
- Ward 3: Week of Nov. 10

Tree limbs and branches must be stacked at the curb by 6 a.m. on Monday of your Ward's scheduled Chipper Program week. Tree branches and tree limbs should NOT be bundled or placed in bags. Bagged or tie-bundled materials will not be picked up. Tree limbs are defined by the largest cut end, measuring up to six inches in diameter. This also includes small tree trunks measuring the same diameter above. Please leave tree limbs as long as possible and face the butt/cut end to the street. Do NOT block the sidewalk with tree limbs.

Questions? Call Public Works at (636) 639-2121 or visit www.wentzvillemo.gov/TreeLimbPickup.

Comprehensive Plan Open House

Are you interested in shaping the future of Wentzville? Your feedback matters, and we want to hear your ideas! In addition to an online survey where you can share your thoughts, you're invited to join us at the Comprehensive Plan Open House on Wednesday, Oct. 15, from 5–7:30 p.m. at the Wentzville Rec Center (500 Great Oaks Blvd.). This is a come-and-go event; there is no formal presentation, so you can arrive at any time.

The Comprehensive Plan serves as the City's primary policy document for guiding and managing future growth. It helps direct capital improvements, including transportation investments and utility planning. The Planning and Zoning Commission also uses this document for guidance on zoning-related requests, land-use policies and changes to subdivision regulations.

Your feedback is an important part of the process. This is a great opportunity to get involved in shaping the future of our community. Take the survey today and join us at the Open House to share your input. Learn more and access the survey at www.WeAreWentzville.org.
