Soliciting in Wentzville: What You Need to Know

While the City cannot prohibit solicitation entirely, local guidelines help regulate how and when it may occur in Wentzville neighborhoods. When solicitors go door-to-door, residents often have questions about what's allowed, what's required and what they should expect. The City of Wentzville has guidelines in place to help create a safe, consistent experience while balancing individual rights and neighborhood expectations.

Before soliciting in Wentzville, individuals must complete a City application, provide required documentation, pay a fee and submit to a background check from the state in which they reside. The Police Department reviews and approves these materials before a solicitor is allowed to operate within the City. Licensed solicitors are required to carry identification and must follow all City rules while in neighborhoods.

Recent updates to the City code further clarify what residents can expect. Companies are limited in the number of employees they may have soliciting at one time, the duration of their operation and how often they can return within a six-month period. Solicitors are also prohibited from approaching homes displaying a "No Soliciting" sign. Enforcement of these rules relies in part on residents. If you believe a solicitor is operating outside City guidelines, we encourage you to promptly report the activity to the non-emergency police line at (636) 327-5105. These guidelines aim to promote a safer and consistent experience for everyone involved. For more information, please visit www.wentzvillemo.gov/CityClerk.

Winter Weather Reminders

Wentzville's Public Works team is ready to keep roads clear and safe this winter. Here are a few reminders to help with snow removal. Questions or concerns? Complete the snow concern form at www.wentzvillemo.gov/Winter or call (636) 327-5101.

- **Shovel Smart:** When facing the street, pile snow to the right of your driveway. Clear snow in front of and to the left to prevent plows from pushing it back into your drive.
- **Clear Fire Hydrants:** Keep hydrants free of snow so firefighters can access them quickly.
- **Follow Parking Rules:** Move cars off streets during heavy snowfall. Parking is prohibited during a declared City Snow Emergency.
- **Mailboxes/Landscaping:** Mailboxes and landscaping in the right-of-way may be impacted during snow removal. The City provides temporary mailboxes if needed and restores damaged sod when possible.
- **Mail Delivery/Solid-Waste service:** Plows clear near the curb, but residents must finish clearing to ensure mail delivery and solid-waste pickup.

UPCOMING HOLIDAY REMINDERS: The City of Wentzville will be closed on Monday, Feb. 16 to observe Presidents Day. To view hours for Wentzville Parks and Recreation facilities, please visit www.wentzvillemo.gov/Facilities. NOTE: This holiday does **NOT** affect solid-waste collection.
